

REMARKS

A title setting forth the subject matter now present in the claims is inserted herewith, in lieu of the original.

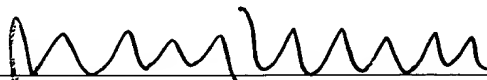

Formal changes are made in the claims, to respond to the Examiner's objections. It should be emphasized, however, that the changes made in the claims have nothing to do with patentability over the prior art or the scope of the claims: they merely improve the form of the claims.

Indication of allowable subject matter is noted with thanks. In view of the present amendment and the foregoing remarks, therefore, it is believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
